

New Pharmaceutical Regulatory Conferences in the UK

PREPARE FOR THE JANUARY 2010 IMPLEMENTATION OF THE NEW VARIATIONS PROCEDURES AND CLASSIFICATION

SEPTEMBER COURSE

A Short Course on Regulatory Affairs with emphasis on...

BUILDING YOUR REGULATORY UNDERSTANDING OF VARIATIONS TO MARKETING AUTHORISATIONS

10-11 September 2009

Are you familiar with

- the new EU Regulation 1234/2008 about Examination of Variations?
- the two new Variations Guidelines?
- the new Classification system for Variations?

Do you understand

- the "Do and tell" procedure?
- Annual notifications?
- Grouping of Variations?
- Bulk Variations?
- Worksharing?
- Classification of Unforeseen Variations?

Learn first-hand about the new initiatives that will affect your company's work in maintaining Marketing Authorisations by attending our conference

FURTHER DETAILS:
