

## New Pharmaceutical Regulatory Conferences in the UK

**NEWS FLASH 1: BOOKINGS CAN NOW BE MADE ON OUR  
DECEMBER "VARIATIONS" COURSE  
being held on 3-4 December 2009 at  
The Legacy Falcon Hotel, Stratford-Upon-Avon, UK**

The Variations course (a balanced combination of lectures and practical hands-on group-interactive casework) will ensure that you learn

- \* What's coming soon (from 1 January 2010)?
- \* What's coming later?
- \* What's staying the same?

Course coverage will include new legislation, new procedures, new classification guidelines, new or improved concepts and much more

Further details of our **exceptional value and timely conference package** about **VARIATIONS** are on <http://www.pharmaqmtraining.eu/brochures/buildingRegulatory.html>

Act quickly to secure your place by booking online on [www.pharmaQMtraining.eu](http://www.pharmaQMtraining.eu)

The course will be suitable for people needing to understand variations for the first time .... as well as for those who need a refresher course .... or to have an awareness of how the work they already do on Variations may soon change (or not!) because of the new legislation and supporting guidelines

**News Flash 2: There may just be enough time left for you to secure one of the remaining 4 places on our "CTD MODULE 3, PHARMACEUTICAL QUALITY" TRAINING COURSE being held on 1-2 October 2009 at The Legacy Falcon Hotel, Stratford-Upon-Avon, UK**

The details for this course can be seen on [www.PharmaQMtraining.eu](http://www.PharmaQMtraining.eu) but please email [admin@pharmaQMtraining.eu](mailto:admin@pharmaQMtraining.eu) to check availability before booking online
